Can you send the attribute table that will allow us to link the parcels to so let us know what the common field will be. geodatabase is fine.

Yes. The appraisal district stores that in an "Improvement table" separate from the normal parcel data. Do you want me to send you that attribute table? What format?

Also, ATF has been asking, do you know when the aerials on the image service you gave me will be cleaned up?

Thank you,
Jake

Jake,

Do you have an attribute field that lists the date of construction for the structures in those parcels?

See attached, rename to .zip to extract the gdb.
Thank you,
Jake

Attached is a zip file. Rename to .zip. There are 2 polygon files of the exclusions zones for you to clip the parcels to.

Thanks.

Jake, i corrected Janine's email address so you have it for your contacts.

Thanks

Jake,

We will be sending you a layer file of an image service that is referenced. Expect an update around 3PM if not sooner

Ok, That sounds great. And, will this be a natural color ortho georeferenced aerial image?

Thank you,

Jake

Jake,

Eric Delgado (also with EPA) and Janine Latham (START Contractor – GIS) can provide you with the ASPECT Aerial imagery shape file and have requested the parcel data. Per our discussion, they will coordinate with you so that we may help each other out.

Eric/Janine – Jake's phone number is 254.749.0607

Thanks
